PROFESSIONAL SUMMARY

Gameplay & Cinematic Animator with 6+ years of experience creating AAA-quality character and creature animations for games and cinematic productions. Experienced in keyframe animation, motion capture cleanup, gameplay systems, animation state machines, and real-time animation pipelines using Unreal Engine 5 and Unity. Contributed to multiple shipped AAA titles including Dragon Age: Veilguard, Kingdom Come: Deliverance II, NHL, UFC, LEGO Horizon Adventures, and Disney Speedstorm. Passionate about delivering responsive gameplay animation and cinematic storytelling.

CORE SKILLS

- **Animation & Rigging Tools:** Motion Builder, Autodesk Maya, 2d Spine.
 - **Rigging & Skinning:** Character Rigging, Creature Rigging, Facial Rigging, Skin Weight Painting, Deformers, Constraints.
 - **Technical Skills:** Animation Pipeline Optimization, Mocap Data Processing & Retargeting
 - **Game Engines:** Unreal Engine 5 (Animation Blueprints, Sequencer, Retargeting) | Unity (Animation Integration, Animator Controller, Blend Trees, Timeline) .
 - **Rendering & Visualization:** Vray, Keyshot, Substance Painter, Unreal Engine,
 - **Design & Post-Production:** Adobe Photoshop, Premiere Pro, After Effects
 - **Specialization:** Real-Time Animation Integration, Cinematic Sequences, Mocap Cleanup, Keyframe Animation, Character & Creature Rigging.
-

PROFESSIONAL EXPERIENCE

DNEG – Cinematic & Gameplay Animator

(January 2026 – Present)

- Developing animations for an undisclosed game title.
 - Crafting cinematic and character-based gameplay movement.
 - Delivering high-fidelity keyframe assets for production sequences.
 - Partnering with technical artists and design departments.
 - Implementing real-time assets within Unreal Engine workflows.
-

Technicolor Games (Transperfect Gaming) – Cinematic & Gameplay Animator

(August 2021 – January 2026)

Collaborated with multidisciplinary teams and animation leads to deliver cinematic and gameplay assets for a variety of AAA productions.

- **Contributed to several AAA game titles:**
 - **Dragon Age: Veilguard** – BioWare / EA | Gameplay & Cinematic Animator – Seamless loops, locomotion, and cinematic sequences.

- **Kingdom Come: Deliverance II** – Warhorse Studios | Scene Building & Cinematic Animator – Character/creature layouts and cinematic sequences.
 - **NHL 23 – EA** | Gameplay Animator – Responsive gameplay animations for realism and control.
 - **NHL 24 – EA** | Gameplay & Cinematic Animator – Presentation shots and gameplay animations.
 - **UFC 6 – EA** | Gameplay Animator – Realistic combat animations for authentic fighting.
 - **Lego Horizon Adventures** – Guerrilla Games / Studio Gobo | Gameplay & Cinematic Animator – Character introductions and seamless keyframe loops.
 - **Disney Speedstorm** – Gameloft | Gameplay Animator – Player win/lose animations for feedback and celebration
-

Illuminati Tales Production – Freelance Animator

(March 2020 – July 2021)

Served as a Character Animator, contributing specialized animation assets for televised animated series.

Animation Project Experience:

- **Tarak Mehta Ka Chhota Chashmah:** Executed character performances and movement for the series.
 - **Pinaki & Happy – The Bhoot Bandhus:** Developed expressive keyframe animations for character-driven storytelling.
-

INTERNSHIP EXPERIENCE

National Olympiad Foundation – 3D Generalist Intern

(October 2019 – February 2020)

- Created and optimized 3D assets for educational and interactive projects.
 - Produced character animations using Autodesk Maya.
 - Developed 3D models, UVs, and textures for production assets.
 - Performed character rigging and skinning for animation-ready characters.
 - Integrated 3D assets and animations into Unity, ensuring proper functionality and performance.
 - Collaborated with the development team to support the complete asset production pipeline.
-

Matchbox India – 3D Generalist Intern

(February 2019 – May 2019)

- Created high-quality 3D models and animations for commercial projects.
- Developed character rigs and prepared animation-ready assets.
- Produced architectural and product visualizations using industry-standard workflows.
- Assisted in lighting, rendering, and scene optimization.
- Worked closely with the creative team to meet project deadlines.

DesignLAB International – 3D Artist Intern

(September 2018 – December 2018)

- Created realistic lighting setups for interior and exterior visualization projects.
- Applied high-quality materials and textures to 3D assets.
- Produced photorealistic renders using professional rendering workflows.
- Assisted in scene composition and rendering optimization.

Mangalam Production – Motion Graphics & Video Editing Intern

(February 2018 – June 2018)

- Designed motion graphics for promotional and digital media content.
- Edited videos using Adobe Premiere Pro and After Effects.
- Created engaging visual content for marketing and social media campaigns.
- Assisted in post-production workflows, including compositing and visual effects.

Kavish Media – Graphic Design Intern

(September 2017 – December 2017)

- Designed graphics for digital and print media.
- Created marketing materials, banners, posters, and social media creatives.
- Worked with branding guidelines to maintain visual consistency.
- Assisted the design team in delivering creative assets within project timelines.

EDUCATION

- **Bachelor of Vocational Courses** (2017 – 2020)
Tata Institute of Social Sciences, Mumbai
- **Diploma & Advanced Diploma in Animation & Multimedia** (2017 – 2020)
Arena Animation, Geeta Bhawan, Indore
- **Higher Secondary Education (12th)** (2016 – 2017)
Kinder Higher Secondary School, Dewas

ACHIEVEMENTS

- Contributed to multiple AAA game titles at Technicolor Games.
- 1st Prize – Live Action Movie (Creative Minds 2018)
- 1st Prize – Architecture Visualization (Creative Minds 2019)
- 1st Prize – 3D Product Packshot (Creative Minds 2019)
- Jury Award – Asset Modeling (Creative Minds 2019)
- 1st Prize – 3D Character Animation (Creative Minds 2020)

HOBBIES & INTERESTS

- **Traveling** – Exploring new places fuels creativity and inspires unique ideas.
 - **Acting** – Enhances understanding of character emotions, body language.
 - **Photography** – Develops a keen eye for composition, lighting and visual storytelling.
 - **Gaming** – keeps up with gameplay trends and inspires immersive, player-focused animation design.
-
